10

million or 30%. This increase in operating income was primarily due to an increase in operating income of 16.8 million or 30%.

December 31, 2020, the Company recognized the \$6.5 million cash impact of the PPP Loan within cash flows from operations on its consolidated statement of cash flows as the nature of the expenses for which the loan was used are operational in nature. On April 6,

to rapid changes in technology, content creation, services and standards in order to remain competitive; cybersecurity risks could affect our operations and adversely affect our business; our business is dependent upon the performance of key employees, on-air talent and program hosts. Cost increases in the retention of such employees may adversely affect our profits. Impairment of our goodwill and other intangible assets deemed to have indefinite useful lives can cause our net income or net loss to fluctuate significantly; piracy of our programming and other content, including digital and Internet piracy, may decrease revenue received from the exploitation of our programming and other content and adversely affect our business and profitability; damage to our brands or reputation could adversely affect our company; our business may be adversely affected by legal or governmental proceedings brought by or on behalf of our employees. Raúl Alarcón, the Chairman of our Board of Directors and Chief Executive Officer, has majority voting control of our common stock and 100% voting control of our Series C preferred stock and this control may discourage or influence certain types of transactions or strategic initiatives; our deregistered stock's liquidity can be adversely affected because we are no longer required to report to the SEC and our stock continues to trade on the OTC Pink Marketio
